High Consequence Infectious Diseases (HCID)

NEW INTERACTIVE DIGITAL NURSING TRAINING GUIDE & ASSESSMENT

Aneurin Bevan University Health Board has launched a new interactive digital training resource to support nursing preparedness for High Consequence Infectious Diseases (HCID). This course aligns with national guidance from HCID-UK, UKHSA, and Public Health Wales.

Course Curriculum

- **Module 1:** Intro to HCID Governance
- **Module 2:** Contact HCIDs (Ebola, Lassa, CCHF)
- **Module 3:** Airborne HCIDs (MERS, Avian Flu)
- **Module 4:** Patient Assessment & Pathway
- **Module 5:** Unified HCID PPE Ensemble
- **Module 6:** Donning & Doffing Buddy System
- **Module 7:** Enhanced Zoning (Red/Amber/Green)
- **Module 8:** Category A Diagnostic Sampling

Interactive Video Guides

- Official step-by-step **PPE Donning Video**.
- Official step-by-step **PPE Doffing Video**.
- Step-by-step **Category A Sample Handling Video**.
- Scannable QR codes for mobile devices.
- Opens in a separate browser tab to preserve course progress.

24-Question Exam & Official Certificate of Achievement

Nurses must achieve an overall score of **80% or higher (≥20/24 correct)** to unlock their official NHS Wales Certificate of Achievement with name and completion date.

How to Access the Training Guide

Open your web browser on any ward computer or workstation and click:

Intranet Shortcut: HCID Nurse Training Guide (index.html)

Imported Fever Service (IFS): 0844 778 8990 (24/7)

Health Board: Aneurin Bevan University Health Board
